RECEIVED

SHIPPING INSTRUCTIONS: No order for plants or leaves shipped for less than \$3, Plus \$1, for postage and handling for plants or 75¢ for fresh cut leaves. Orders for fresh cut leaves must be sent separately and shipping charges for each included. Rooted cuttings and plants are sent in plastic pots. Special Delivery .50. All orders are shipped in the order received during favorable weather. Orders for N. C. send .03 state sales tax.

Small plants are not always budded and rooted cuttings do not always produce a number of baby plants. I will ship the best I have at the time. Please list a few substitutes, in case of shortage of some varieties. I will not substitute unless necessary.

Since I work down town with my husband, my ship is open only by appointment, but I can be home in 5 minutes, so telephone 24147 or 31183, or write for an appointment.
